to State After considerable 25 back and forth with State, it was agreed that the Political Desk would take up the matter with State Congressional Linkson specifically	23/1	indicating that Representative Chet Holifield wished a briefing by	
the Agency tomorrow morning before the Military Operations Subcommittee of House Government Operations. I explained to Roback that the Director was away and that he was in the process of attempting te formulate policy with respect to briefings on the Hill in coordination with the White House. Consequently, we simply were not in a position to furnish a briefing tomorrow morning. Roback appeared to understand our problem and said he would take this up at a later date. Talked with Kenneth Sprankie. House Appropriations Committee staff, who indicated Representative Clarence Cannon was interested in whether or not the Soviet astronaut who has been paraded in public actually went around the earth in a space capsule. He was advised that the Agency believed that the Soviets did successfully orbit a man. Specifically as to whether or not the individual paraded was the same in the capsule we do not know. I will check further and advise Sprankle. 25X1 Talked further with
